

 HOUSE *Mme Butterfly*

HOW DOES HOUSE *Mme Butterfly* WORK ?

ELECTRICITY

In the entrance, behind the black-framed mirror, you will find the switchboards.

In case of power cut:

- put the short-circuited fuse back up
- every fuse must be up
- if power cuts again, please contact **Denis : +33 6 25 64 06 12.**

WATER

General alimentation can be found in the cupboard under the stairs. The water heater is located upstairs behind the master's bedroom's first door on the left. Hot water is controlled through two red buttons and a three-pole circuit breaker. In case of no hot water, please put those back up.

Nota bene :

- Water take up to three hours to heat
- Water heats up during nighttime, with enough hot water to cover « standard » daily use. If you need more, please switch the water heat into « continu » mode.

GAS

The stove is a gas stove. If the bottle is empty please contact **Denis : +33 6 25 64 06 12.**

HOW DOES  HOUSE *Mme Butterfly* WORK ?

Dish wacher

If you find dishes not to be clean enough, it may be because there is not enough rinsing liquid or salt left. Please add more.

NEIGHBOORS

The house is located in a private hamlet. It is a quiet area, please respect it.

Important : please drive slowly inside the hamlet.

HOW DOES HOUSE *Mme Butterfly* WORK ?

INDOOR FURNITURE AND HOUSE EQUIPMENT

Indoor furniture has been found throughout the years all around France and especially in Provence region. House equipment is however new and of high quality.

Couches and beds are of high quality as well and therefore need to be taken care of.

OUTSIDE FURNITURE

Provence region is known for its wind. We advise you to close the sunshades whenever you leave the house and to make sure shutters are locked in (open or closed) every day.

To close the glass doors, lift the handle first and then turn the keys.

TRASH

Trash bins are located at the entrance of the private alley, on the left side. They are picked up every day.

Upon check out, please take out the trash (kitchen and bathroom trash).
